

New Braunfels Water Service worksheet

Use one sheet for the same job. Keep exclusions beside the price.

1. Gather the details

- ☐ Property ZIP, permitting jurisdiction and public-water or private-well source
- ☐ Softener make, model, age and visible display message
- ☐ Household size and available water-test or service records
- ☐ Installation-space dimensions, access and existing connection details
- ☐ Repair, replacement or routine-service preference and timing

2. Compare two written proposals

Question to confirm	Quote A / business	Quote B / business
Assessment What testing and diagnostic work is included?		
Equipment What capacity and model are proposed, and why?		
Connections Which plumbing, drain and electrical work is included?		
Setup Who programs and commissions the system?		
Service terms What callout, maintenance and warranty terms apply?		
Total + exclusions / extra charges
